AMENDMENTS TO THE DRAWINGS

"Replacement Sheets" for Figs. 1-6 are attached.

"Annotated Sheets Showing Changes" are attached for Figs. 4 and 5 which include a marked-up version of these figures. The Replacement Sheets for Figs. 1-3 and 6 are believed to be substantively the same as the originally filed Figs. 1-3 and 6.

Figs 4 and 5 are amended to eliminate the duplication of reference numbers. In the originally filed Figs 4 and 5 some reference numbers were used twice to identify different elements. To address this, in Fig. 4, reference number 415 for the OA info is changed to 423, reference number 416 for the ASID info is changed to 421, and reference number 417 for the MUX is changed to 422. In Fig. 5, reference number 522 for the address watchpoint information is changed to 523.
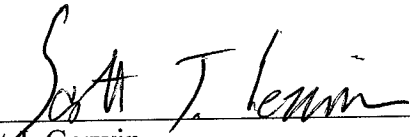

REMARKS

This amendment is filed pursuant to 37 C.F.R. §1.312 after allowance and before payment of the issue fee. This amendment is submitted to correct reference character discrepancies in the specification and drawings discovered during preparation of the formal drawings, which are now being submitted. The foregoing amendments do not introduce new matter into the specification.

Accordingly, Applicant respectfully requests entry of these amendments by the Examiner at the earliest possible date. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 23/2825 under Docket No. S1022.80278US00 from which the undersigned is authorized to draw.

Dated: June 25, 2010   Respectfully submitted,

By_____
